CERTIFIED ORGANIC VITICULTURE

CERTIFIED BIODYNAMIC VITICULTURE

This estate for many years now has been offering spectacular results with wines made according to biodynamic methods. Luca D'Attoma, a skilled enologist with a flourishing activity as a consultant, and his wife Elena Celli have created an authentic gem, which has become a beacon in the area of Riparbella. Their wines are always bold but never lack elegance.

Pt.94 Price D

Due Mani 2015

100% Cabernet Franc, barriques for 1 year. Very dark color with violet hues. Intense and rich nose: pencil shaving, blood orange and candied orange, then blueberry and raspberry followed by a subtle and charming spicy note. Wonderful palate showing great balance between structure and freshness and a very elegant tannin. Very intense and long finish with aftertaste reminiscent of the nose profile.

Pt.90 Price B

Si Rosato 2017

100% Syrah grapes. Aged in stainless steel tanks. Onion skin color. Fresh nose of white and red blossoms, yellow fruit, peach, then an intense note of orange blossom. Flavorsome and briny palate, good acidity that leads to a very balanced finish. Very well made.
