The dried flowers are wonderful in this with a violet and rose petal character. Dark fruits, too. Full body, dense and chewy with dusty texture from the ripe tannins. This has an energy and focus that keeps your attention. Better in 2020 but great to taste already. Made from biodynamic grapes and Demeter certified.

This is arguably the best syrah made in Italy this year with incredible depth and complexity delivering all the dried meat and berry character with wet earth and dried mushroom undertones. It is full yet so energetic and balanced. Fantastic. Drink or hold. Made from biodynamic grapes and Demeter certified.
